| Wire strippers                | 3    |
| Wire cutter                   | 1    |
| Tweezers                      | 3    |
| Weeding tools                 | 6    |
| Soldering tool set            |      |
| Level                         |      |
| Magnifying glass              | 2    |
| Drill bits                    |      |
| Drill                         |      |
| Clamps - set of various sizes | 7    |
| Ear muffs                     | 2    |

|                            |        |
|----------------------------|--------|
| Safety glasses             | 4      |
| Allen keys                 | 2 sets |
| Adjustable spanner         | 3      |
| Hacksaw                    |        |
| Boxed screwdriver set      |        |
| Assorted screwdrivers      |        |
| Screwdriver kits (precise) | 2 kits |
| Electronic caliper         |        |
| Metre ruler - metal        |        |
| 30cm ruler - metal         |        |
| square ruler - metal       |        |
| Measuring tape             |        |
| Drill press                |        |
| Belkin table stage         |        |
| Sander                     | 1      |
| Air compressor             | 2      |
| Push saw                   |        |
| Rubber mallet              |        |
| File set                   |        |
| Long clamps                |        |
| Mini hand drill            |        |
| Power drill                |        |
| Impact drill               |        |
| Wrench set                 |        |

### - ART & CRAFT -

|  |   |                   |
|--|---|-------------------|
| Silk screen (for use with stencils)    | 1 |                   |
| Screenprinting squeegee                | 1 |                   |
| Rollers for block printing             | 2 |                   |
| Heat set printing inks                 |   |                   |
| Leather Working Kit (273 piece set)    |   | See Cosplay group |
| Jewellery findings (earring hooks etc) |   |                   |
| Airbrush Kit                           | 1 | See Cosplay group |

### - MISC -

|                             |   |
|-----------------------------|---|
| Market stall items          |   |
| Electronic scales           |   |
| Extension cords             |   |
| Power boards                |   |
| Butane torch                |   |
| Toaster oven (not for food) |   |
| Deydrator (for silica gel)  |   |
| Network cables              |   |
| Gaming network              |   |
| Fast fibre                  |   |
| Wireless Speaker            |   |
| Dynamo labeller             | 1 |
| Laminator                   | 1 |

### - CONSUMABLES/MATERIALS -

|  |  |
|--|--|
| Acrylic sheets (clear)                                       |  |
| Acrylic sheets - small, in various colours for jewellery etc |  |
| T-shirts - various sizes                                     |  |
| Plywood sheets   |  |

Various donated laser materials  
EVA foam  
Cosplay supplies (paints/brushes etc)  
Corflute  
Cardboard  
Vinyl for vinyl cutter  
Vinyl scraps/offcuts  
Transfer tape  
Glues, adhesives, solvents etc  
Paint  
Rollers  
Soldering clips, filters, replacement parts etc  
EL wire  
Polymorph  
Silicone mold making kit  
Screws and fasteners  
Brackets and electrical bits and pieces  
Ear plugs  
Dust masks
